## Our facilities

**Offices.** We offer you offices with very diverse capacities, adaptable and alterable to suit the needs of your company. All offices have functional, practical furniture.

**Coworking areas.** Individual workstations in a shared workspace. Large spaces which also have functional, practical furniture.

**Meeting rooms and classrooms.** Solution designed for the occasional need for a physical space with capacity for up to 60 people.

**Event rooms.** Exclusive spaces due to their fittings, surroundings and design, with capacity for up to 400 people.

**Outdoor spaces.** Available as communal and recreation areas for the users of our facilities, also offering a unique environment for holding various types of events.

**Communal areas.** Spaces for recreation, but also ideal for networking in a unique environment for sharing knowledge.

**Catering.** Cafeterias with long opening hours, with products adapted to the needs of our hosted companies and users. Vending machine and catering service available.
